California 2010 - 2011

Meeting community needs in California. More than **180,000** people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in California. Serving with more than **2,880** national and local nonprofits, schools, faith-based organizations and other groups, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers. This year, the Corporation for National and Community Service (CNCS) will commit more than **$100,100,000** to support California communities through national service initiatives including:

Senior Corps: More than **29,000** seniors in California contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than **10,000** young people who have special needs. Senior Companions help more than **3,400** homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols for local police departments, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than **2,400** groups across California.

AmeriCorps: This year AmeriCorps will provide more than **8,500** individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across California. Most AmeriCorps grant funding goes to the Governor-appointed CaliforniaVolunteers, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than **96,000** California residents have served more than **100 million** hours and have qualified for Segal AmeriCorps Education Awards totaling more than **$240,200,000**.

Learn and Serve America: Learn and Serve America provides grants to schools, colleges, and nonprofit groups to engage more than **140,000** California students in community service linked to academic learning and the development of civic skills. This type of learning, called service-learning, strengthens communities, improves academic engagement, and prepares young people for a lifetime of responsible citizenship. Learn and Serve America also provides curricula and other resources to teachers, faculty members, schools, and community groups.

Other Programs: California received a Social Innovation Fund grant totaling $3,900,000 to support innovative and replicable solutions to education, economic, or health challenges. The California state service commission also received a Volunteer Generation Fund grant of $399,993 to strengthen volunteer recruitment and management. California also received a Nonprofit Capacity Building Program grant of $200,000 to support small and midsize nonprofits to develop and implement performance management systems.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and Learn and Serve America, and leads President Obama's national call to service initiative, United We Serve. To learn more visit NationalService.gov or Serve.gov or call 202-606-5000 or TTY 1-800-833-3722.

Total Corporation Funding (including Segal AmeriCorps Education Awards)   **$100,099,849**

The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.

[1] This chart does not include AmeriCorps sites, participants, or funding provided by the American Recovery and Reinvestment Act.

[2] This figure represents the number of awarded positions available to be filled in the 2010 - 2011 program year excluding Recovery Act positions. For AmeriCorps VISTA, this represents the actual number of AmeriCorps members in active service.

[3] This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in California. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total Corporation funding.
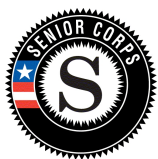

[4] AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Some national organizations do not report operating site data, or it wasn't available at time of publishing, so figures may not reflect current conditions.

[5] California is home to the Pacific Region campus of AmeriCorps NCCC, located in Sacramento. Members based at this campus perform service projects throughout California and AK, HI, ID, MT, NV, OR, UT, WA, WY and the Pacific Territories.
